September Meeting...

We will try to have a short business meeting from 12:00 p.m. to 1:00 p.m. Saturday September 10 during the break between the morning and afternoon sessions of the hollowing class. More class details in the next item!

September 10, 2016 Hollowing Class...

(Thanks to Corky for his earlier email blast reprinted here)

With the good turnout we are seeing for the September Hollowing Class, we are in need of additional mini lathes that could be used for the day on Saturday, September 10th. If you have a mini lathe that you could provide, please email me back and let us know. Also, if you are interested in the class but haven't signed up yet it's not too late. Please let me know ASAP if you would like to sign up for the session and which time period. Thanks!

Below is a sign up list for the Sept. (Hollowing Class).

There is plenty of room for additional members to sign up. Please let us know asap whether you plan on attending and also which class (morning/afternoon). This will help us determine how many lathes we need to have at the Harrisburg school.

The Demo will be at the Harrisburg School Sept 10th (Hollowing Class)

You are asked to bring any hollowing tools you may have along with spindle gouge, bowl gouge and parting tools. If you don't have hollowing tools, you may want to see if you can borrow any from another member. I believe there may be some available but limited.

Cost per class \$15

Class times:

Morning

Class one 9AM
John Weaver
Vern Monson
Jim Sample
Sue Smith
Corky Miles
Dennis Nibbelink
Jim Havard
Steve Klooster
Jeff Albrecht

Afternoon

Class two 1PM
Jack Zimmel
Al Hird
Steve Schlueter
Robert Todd
Gene Wubben
Royce Meritt
Ron Seim
Rex Pommier
Al Schroeder

Fall Community Ed Classes...

The fall Comm Ed class schedule is out and signup is under way. The classes this fall are earlier dates than last year so make plans to offer help SOON. Extra help for the main instructor is more than appreciated. Please consider helping out. This is the largest number of classes ever offered in one semester. Again, please consider helping out.

Woodturning 101	Tuesday September 13 Thursday September 15 (These are two separate classes)
Pizza Cutter	Tuesday September 20
Writer's Pen	Thursday September 22
Wood Platters	Thursday September 29
Tool Sharpening	Tuesday October 4
Bottle Stoppers	Thursday October 6
Natural Green Wood Bowl	Tuesday October 11
Snowmen Ornament	Thursday October 13
Bangle Style Bracelet	Tuesday October 18

All classes are held at the Career and Technical Education Academy, 4700 W Career Circle from 6:00 to 8:30 p.m. The Academy is just north of the intersection of Madison Street and Terry Avenue on the west side of Interstate 29.
