## **In This Issue...**

- October meeting (No meeting in September)
- President's Message

## **October Meeting...**

The October meeting will be at the Harrisburg High School/shop, on October 5, 2019 at 1:00 p.m. for our monthly meeting.

## **President's Message...**

Another terrific meeting this month with a really good turnout for our annual meeting and picnic. There was something for everyone with the tool sale and exchange, another terrific demonstration and wood available for anyone who wanted some. I have to comment on Doug's demonstration on turning alabaster which was something that I have never seen done before and I'm guessing the same is true for most of the members. His detailed description of how the process works was very detailed and I think caught the interest of everyone who watched it. It never fails to amaze me how much talent there is among the members of our club. Election of officers will be coming up in November and since we are not having a meeting in September, I hope that everyone will be thinking of who we want to run the club for the next year. I will be turning over the president's position to someone else with the thought that the more members that get involved will only strengthen the club as a whole. So I hope to see everyone in October 5th when we will be having a demonstration by Gene Wubben on platter turning and nominations for next years officers.

John Olson

## **August Meeting Minutes...**

There was no business meeting held.

## **SHOW and TELL**
